

This is to certify that on Sun 24 Jan 2016

Klaas Joris Schut

demonstrated advanced knowledge of the Scrum framework as described in the Scrum Guide and how to employ the empiricism of Scrum to improve software product development. The individual possesses advanced knowledge and has demonstrated the ability to apply it to resolve complex software development situations.

In recognition of this, Scrum.org is pleased to provide this certification.

Professional Scrum Expert

Improving the Profession of Software Development
